Que.: Look at the following map. Write directions for the person standing at Rest House. Tell him to reach the Internet Café.

- Ajay is unknown in the city. He comes in the village to meet his friend. His friend gives him the map for his help. When he arrives in the village he finds himself at the rest house. For reaching in the internet café at first he should come on the road in front of him. After walking for sometime he will come on M.G. Road. He should walk straight. After some time he will get the railway station at the left side of him. Again he should walk for some time. Then he will reach at the junction or the cross roads. He should turn to his right he will come on the straight road before a bakery. But he should walk for some time. Then he will get the internet café in front of Ashok Hotel.
