Tour Report

Certain philosopher said that a man kind work which he likes then work becomes play. He further says that it is very important to change the today's education system.

According to him classroom should be change into laboratories and houses must not take position of tuition classes.

So also we get an idea to give practical knowledge which in our biology (Botany) textbook on dated

This propel us to arrange such type of study tour. We decided to know about Palsad Nursery Kognuli and also different new species of Botany.

We find out such place i.e. Palsad nursery 9 March 2015.

Botany - Plants are different from one another in size, structure, names & other-features. Man activity is induced by ^{green} plants. We see here the green beauty.

After that we visited Prasad Nursery Kogmudi

Prasad Nursery — We observe here the different succulent category plants, which we had not seen them earlier. There were so many species.

Speciality — Unknown species/plants in our daily use can be able to observe.

eg. — Jaiphal, Bampas (Citrus family)

Also here more than 50 varieties are palm has been stored. These sp. grow multiply at any cost so the programme of this department is very social. By seeing student came to know the nature of law of Nature.

Speciality — Revolutionary research we have observed. Then we returned back at 7^o clock. Students were very happy by going to study tour.

Subject- University Visit of B.Com-III Students

Respected Sir,

As per discussion with you, our B.com third year students are visiting Department of Commerce and Management on Monday, 7th January, 2019 at 3 pm. Hence I request you to co-operate our students in this regard. We hope that the scheduled visit to your department as well as the University will enrich the knowledge of students about the functioning of the University and the Department as well.

Thanking you,

Yours Faithfully,

Principal,
