A Day Workshop
On
Importance of Education
by
N.S. S. AND N. C.C**

The N.S.S and N.C. C departments of the college jointly organised a day workshop on Importance of Education on 24th May, 2022 in the college. The workshop was inaugurated by the resource person Principal Dr. A. D. Kumbhar by watering the plant.

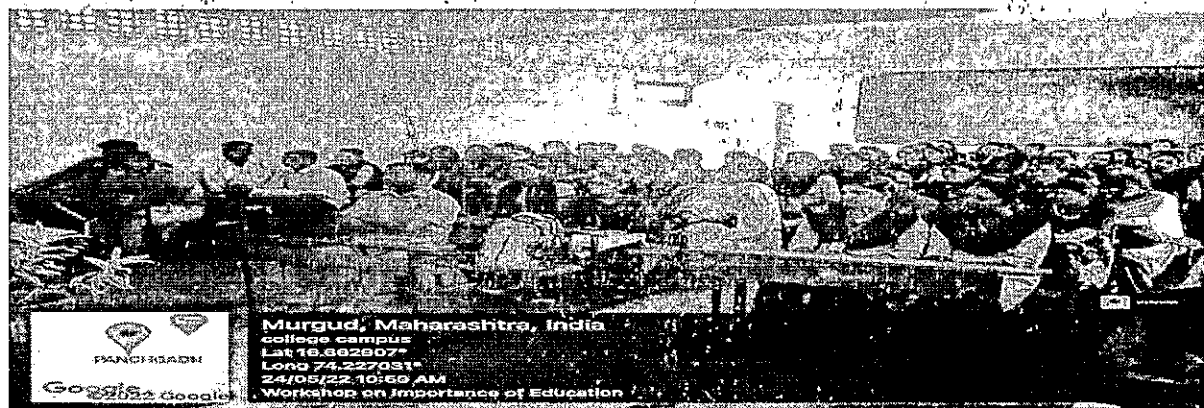

Dr. A. D. Kumbhar, in his speech, stated that education is an important part of life. Human being is a different animal in the plant and apart from birds and wild animals he or she has to learn something. Primitive man invented many things which were necessary for his life. The invention of wheel is the greatest invention of mankind. There was a Gurukul system in India prior to the British Era. Education developed in India during British Era. Maculae developed policy in our country. Mahatama Phule, Savtribai Phule, Dr. Babasaheb Ambedkar and Karmveer Bhaurao Patil struggled for the education for women and men. He also refried the huge contribution of Rajarshi Shahu Maharaja's in developing education system. Education help to develop our personality, and communication skills etc. it also makes us cultured human beings and self-reliant. He also mentioned Kothari Commission and New Education Policy. His lecture inspired students of the college. In presidential address Dr. M. A. Koli took review of resource person's speech. He appealed students to develop

through education. Mr. V. A. Pradhan proposed vote of thanks and Mr. D. A. Sardesai compered the whole programme.

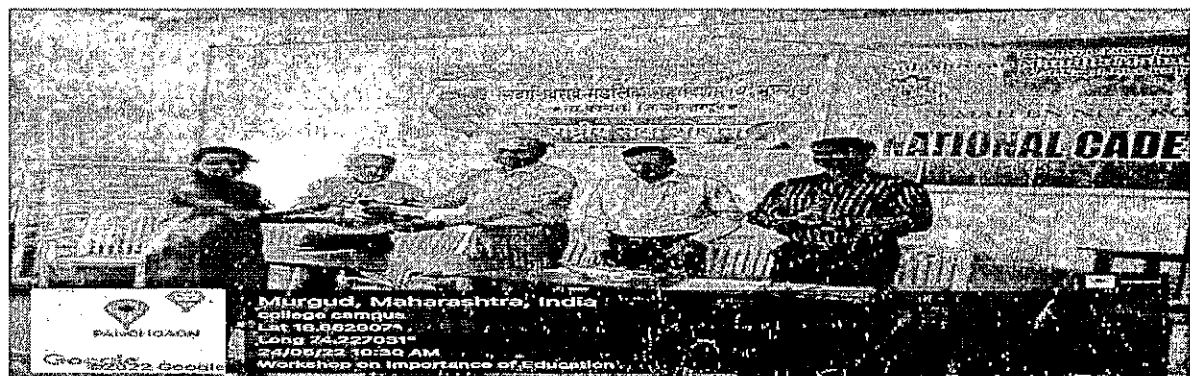

120 students and 20 teachers participated in the workshop.

At this time we felicitated Miss Shradha Sutar for obtaining third prize at National Level Slogan Competition. She designed a slogan on World Peace. In this online competition 56 students from over all the country were participated. Her slogan on World Peace is:

Do not behave like a beast, Try to spread a Z Godlike peace

Personal Experience of Students

The industrial tour was the interface between the college life and the corporate world. All those who attended experienced the moment. It was clear that all the basic and fundamental of each subjects and programming language should be learnt thoroughly. Our students learnt how SDLC works, what are the current Scenario of Market, which programming language should be selected for career. They told us what the needs of the software development companies are, what they are expecting from us as the freshers. They guided us how to prepare for the corporate world after completing education.

Conclusion

The experience of this tour was really fantastic and unforgettable. It was reverberating experience which cherished all of us.

Students got valuable information from this industrial tour and they guided us how to stand in the corporate world in the era of competition. We got to learn a lot many more things from this tour.
