*5.4.1 There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.*

The institution has good rapport with its alumni. The institution was informally in touch with its alumni since last so many years. The institution has been inviting its alumni for various programs and events organized in the college. The institution has formed its Alumni Association in 2018 by registering it under **The Societies Registration Act, 1860 (Act XXI of 1860)**. The registration No. is **Kolhapur/0000509/2018**) The objective of forming alumni association is to create healthy rapport between the alumni and the institution. Also it intends to have large share of alumni in the development of the institution through physical, financial, intellectual and moral means. Unfortunately, the institution couldn't continue its legacy to have healthy and continuous rapport with the alumni during last two years because of the obstruction of COVID 19 situation. The institution wishes to keep the same healthy rapport with its alumni from hereafter again.
