Detail Report-

An awareness programme on “Workshop on Employment Opportunities for B.Sc. and BCA Students & Interview Techniques” had been organized by Department of B.Sc. and B.C.A. For second and third-year students across all streams, it was held on Saturday 11 march, 2023, while for first and second-year and third year students, it was held on 11 march, 2023. The workshop session -I took place from 09:30 AM to 11.00 AM.

Dr. Sudhakar Bhoite Sir is an experienced professor in SBIER College Kolhapur, a JRF, and a Research Scholar title had spoken to the students and provided an explanation of the requirements for the Employment as well as guidance on how to prepare for it. The workshop gave an insight about how important it was for students of science streams to have a backup plan along with aiming for an admission in IIT's and Medical. They considered things like how to read a newspaper, how to research current events, how to pass the aptitude without receiving any bad markings, Additionally, they hold a special Q&A session where students can ask question All over the session was very helpful for all the students and interested faculties. For reference, some of the pictures are hereby attached. The workshop emphasized on the point that there are various opportunities that are now being availed by science students other than Medical and Engineering. Informative booklets were given which contained information about various courses, the universities that offer those courses and the eligibility criteria of getting admission to those courses of different universities.

The workshop session -II took place from 11.15 AM to 11.00 AM.

This session was focused on Interview skills. The resource persons Dr.A.D.Kumbhar sir instructed the participants on how to sit for an interview. Discussions on why interviews are important and how they are necessary in order to select the right candidate were also made. Participants were given an insight to the need to select the right candidate and assess the candidate if he/she has the skill set required as per the needs of the organization. To understand if the candidate has the skill set to perform the requirements of the organization and from the interviewees perspective to initiate a connection with the interviewer to seek employment and enhance his/her skill sets. The trainers emphasized the meaning of body language – how to read others and how to manage your own body language effectively. Understanding manners within yourself to ensure you portray the appropriate behavior while sitting for an interview.

The trainers explained about dress code and attire, the difference between formals, semi formals And casuals. Understanding the reason why dress code and attire is important in a working environment were explained. Participants were encouraged to build up their self-confidence. Videos of the mock interviews were shown to ensure that the participants learn through the kinesthetic method. Mock interviews were conducted for the participants. All participants were awarded certificates. Participants also shared their feedback and experiences of the workshop.
